

### eDART™ Stand

RJG 's eDART, stand is a rugged, stylized stand for holding an eDART, monitor, keyboard and mouse. The eDART, stand is a compact option for housing the equipment needed to run an eDART, that can be located near the press for easy access.

The height of the eDART stand is adjustable by depressing a lever with one hand and moving the column up or down with the other. Rear wheels make this stand easily portable by simply tipping it back and rolling it. The eDART and monitor mount to the predrilled mounting plates that are provided and the mouse and keyboard fit nicely on the table top surface.

### Features & Benefits

- Compact design
- Height adjustable
- Rear wheels for portability
- All hardware included
